DECLARATION OF PETER D. KARABINIS UNDER 37 C.F.R. §1.132

I, Peter D. Karabinis, declare as follows:

1. I am the named inventor of the above-referenced United States Patent Application No. 10/730,660, entitled "*Systems and Methods for Terrestrial Reuse of Cellular Satellite Frequency Spectrum in a Time-Division Duplex Mode*" (hereinafter "the '660 application"), filed December 8, 2003.

2. The subject matter of the '660 application was invented by myself.

3. Rajendra Singh and myself are named as co-inventors of U.S. Patent No. 6,859,652 (hereinafter "the '652 patent").

4. To the extent that the subject matter of the presently claimed invention of the '660 application is disclosed in the '652 patent, it is the invention of myself.

5. I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the
